Welcome to the Durban People Mover! You are about to start a wonderful journey of discovery. Whether you are heading for a meeting in West Street or going for a quick swim in the sea, you'll enjoy the comfort and convenience of Durban's new and innovative people mover.

The Durban People Mover service operates along two routes within the City, linking the beachfront to the CBD as far as Victoria Street Market. Buses depart every 15 minutes from the easily identifiable Durban People Mover bus stops. Each stop has been carefully selected for the benefit of both commuters and tourists ensuring that significant business destinations as well as interesting and diverse tourist destinations are included along the bus route.

The spacious, air-conditioned Durban People Mover buses are equipped with an electronic ramp enabling quick and easy access for wheelchairs and prams – a first for the City! Seats are comfortable and the modern design of the bus ensures great views of the City from the large windows.

A friendly Durban People Mover assistant will be in attendance at each stop, ensuring your safety and peace of mind.
